Pam:

Have not heard from anyone about the requested DVD. Any news from your office of when this information will be available?

I can't imagine it is too difficult to copy a DVD.

Thanks

Pam:

I just received a copy of Public Protection Director Coffin's January 15, 2010 letter / memo to William J. Bussinger (file No: DDP-10-001) (see attached PDF copy).

VolusiaExposed.Com is interested in obtaining a copy of the DVD that Mr. Coffin refers to in paragraph 2 of page 2 of his letter. Apparently Mr. Martino from County IT copied the files off of Mr. Bussinger's assigned county computer. This DVD became part of the investigative packet into Mr. Bussinger's misconduct allegations, therefore it is open to a public records request.

Please advise us of the cost of copying this DVD and when it is available for pickup. You can contact us at [volusiaexposed@cfl.rr.com](mailto:volusiaexposed@cfl.rr.com)

As always, Thanks
