Hey John, She only worked here a very short time, six months or so, over a year ago. Started in October 2014 and left in April 2015. her job was contacting by phone witnesses for upcoming felony trials, informing them of when they would be needed to testify. Mr. Archer said he did not view that as warranting asking another jurisdiction to take over the case. Hope this helps, Lynne

Found it thanks ! - apparently they were spelling "Lombard" - "Lomard" -- I am still wondering why - with all her past employments within local law enforcement - to include the BCSO and SAO - why the SAO has not requested that her prosecution be moved to another judicial circuit?
