Ref: Pending article - invitation for comments and clarifications

Ms. Kennedy and Mr. Brown:

Within the next 48-72 hours - we (VolusiaExposed.Com) anticipate publishing an follow-up article regarding case 05-2018-CF-010385-AXXX-XX (State of Florida vs. Stephen Norman).

Link to article in development (supportive documents available - with ONLY limited article text narrative)
<http://volusiaexposed.com/brevard/court/2021/norman82021.html>

Our focus will be on Judge Henderson's recent Court order (copy incorporated within above link) - allowing the defendant to continue living near a "family park" - where evidence does suggest (regardless of the defendant's assertions) that children do regularly congregate within this park (see link to kidsplayparks.com - within the above link).

Judge Henderson appears - within his Order - to be assigning some blame (fault) to the SAO.

We invite your offices to provide us with any comments and clarifications you deem to be appropriate. Please use our below email address as our point of contact.

Regards,
