Subject: BCSO Public Record Request - Deputy Santiago-Miranda's CJSTC 78 form

Mr. Tod Goodyear - PIO for BCSO

Mr. Goodyear (others)

Thank you for the public records you (BCSO) sent us (BradyCop.Org) regarding BCSO Deputy Santiago-Miranda.

As you will recall - this subject deputy was recently involved in the deadly shooting of two teens.

We have reviewed these provided records, and it is clear to us that Deputy Santiago-Miranda was being investigated for domestic violence.

We appreciate the fact that your agency conducted the required internal investigation - as required by law. (F.S. 943.1395(5))

From our read - your internal administrative investigative report sustained the DV allegations against the deputy.

However, upon our review, we could not locate any CJSTC 78 form - confirming that, BCSO administratively sustained the DV allegations against the deputy (form additionally required under FAC 11-27).

Per our understanding of FAC 11-27.0011 (Florida Officer Moral Character Standards) - it REQUIRES an employing law enforcement agency to report to the Criminal Justice Standards and Training Commission (CJSTC aka FDLE) any sustained violations of moral character standards - regardless if

the LEO was criminally charged or not. If memory serves, that report must be filed within 45 days of the allegations being sustained.

Our recent review of the Moral Character Standards - support that DV is a mandated report to the CJSTC.

Upon this mandated report (CJSTC 78) to the CJSTC - the CJSTC has the responsibility to independently determine whether the subject LEO's law enforcement certification should be sanctioned or revoked.

Please accept this email as a public record request (PRR) for a copy of the CJSTC 78 form filed in BCSO Command Inquiry 2020-CI-003.

Please use our email address as our point of contact - and advise us in advance of any costs that are associated with this PRR.

Regards,

BradyCops.Org

editor@bradycops.org

P.S. - If the BCSO failed to properly advise CJSTC / FDLE of the subject deputy's past behavioral issues (DV) - you may wish to do so now, it could have investigative significance to their on-going shooting investigation.
