Subject: pool camera coverage in Dana Lloyd case

Date: Wed, 10 Oct 2018 20:16:23 +0000 (10/10/2018 04:16:23 PM)

The FL Supreme Court guidelines will be invoked for the Dana Lloyd trial in front of Judge Morgan Reinman. She will permit Volusia Exposed to have a camera in the courtroom if it is the only camera or designated pool camera for the day. You are expected to abide by all rules of criminal court proceedings and FL Statutes as well as established media ethics.

Please have VE personnel clearly wear press badges and mark your camera with identifying information. Cell phones may be used to email or tweet but not to record.

If you have any questions, please call me.
