**Subject:** JNC Landman's Resignation - Blow back To 18th Judicial Circuit

**Date:** Tue, 25 Jun 2019 12:23:27 -0400

Michelle Kennedy  
Public Information Officer  
18th Judicial Circuit  
State of Florida

Ref: JNC Alan Landman's Resignation  
Allegations of JNC Fraud

Michelle (others if they so wish):

Shortly, we, VolusiaExposed.Com will be publishing an article regarding the recent resignation of 18th Judicial Nominating Chairperson Alan Landman.

Mr. Landman's resignation has already been published within the publications Politico and FloridaToday.Com  
<https://www.politico.com/states/florida/story/2019/06/21/desantis-office-required-judicial-recommendation-resignation-ensued-1071833?fbclid=IwAR20sP0ot7KhYzD-lq-858BJ6m3oPgh9wE938ewmJFSclOWkAkC33OluT5Q>

Like the Politico article, we anticipate posting Mr. Landman's email letters to the Desantis administration.  
<https://www.politico.com/states/f/?id=0000016b-7c8b-df00-a9fb-7ceb6ca70001>

Within our pending article - we shall also publish a copy of the JNC rules and a link to the Florida Constitution (Article V).

In our OPINION, and apparently the OPINIONS of Politico & FloridaToday - within these letters, Landman alleges some serious violations of JNC Rules - by himself and the Desantis administration.

Landman's emails further suggests that these JNC rule violations may be attached to other judicial appointments, by other administrations, going back over a decade.

Landman's emails memorializes that after a decade of service on the JNC - he was NOT fully aware of the JNC rules - with specific attention to Article VIII of said rules.

Our article will explore, and question, whether past judicial appointments within the 18th Judicial Circuit, to include the most recent (Judge Ballou) were compromised - and by default - were possibly un-constitutional (Florida State Constitution - Article V ).

While certain other publications are just now questioning the validity of the 18th JNC, and by proxy, the overall integrity of the 18th Judicial Circuit - our publication (VolusiaExposed.Com) was early in our questioning of whether Mr. Landman was biasing judicial appointments. (please see our below linked May 10, 2019 article)  
<http://volusiaexposed.com/brevard/jnc//jnc4212019c.html>

In fact, we suspect that our April 2019 communications with Mr. Landman and the Desantis administration MAY have been the catalyst for Mr. Landman's resignation (see above web link to our May 10, 2019 article)

The 18th Judicial Circuit has a rather low tolerance for an alleged false call, by a investigative reporter, to the Florida Abuse Hotline - while having a rather high tolerance for pedophilia (see below web links). It shall be interesting to measure the 18th Circuit's tolerance level for apparent, and possibly admitted violations of the Florida Constitution regarding the appointment of judges.

April 13, 2001 - ORLANDO SENTINEL - JUDGE GEORGE "a little pedophilia" MAXWELL

From our current vantage point - BrevardBusinessNews.Com (PAGE 5) is right on point - The 18th Judicial Circuit IS a CRIMINAL ORGANIZATION.

We would welcome any input your office has on this matter of great public concern.

We anticipate a publication date of tomorrow (June 26, 2019) - therefore any response from your office must be received by close of business today.

Regards,
