Subject: ASA Bryon Aven - Fl. Bar - Proposed Article

To All:

We (VolusiaExposed.Com) anticipate that shortly - we shall be posting the below linked article (when completed)

that provides documentation in support of the Florida Bar finding probable cause of misconduct against

ASA Bryon Aven. (see below linked proposed article)

<http://volusiaexposed.com/brevard/stateattorney/2023/bryonaven32023.html>

The above article will be a follow up to our May 16, 2022 article on this subject.

Please advise us - at the below listed email address - of any corrections and clarifications that we may be unaware of by close of business today (6pm).

Mr. Brown - is ASA Aven still employed by the 18th State Attorney's Office ?
