Subject: PRR - Allison Hughes / Nicole Jackson-Maldonado

To Whom It May Concern (PRR = Coates & White ..... Request for comment and clarity = Hughes & Reid):

**L Coates & T White :**

Please accept this as a public record request (PRR) for a copy of JNC applicant Allison Hughes' redacted judicial application regarding her pending interview in front of the 7th JNC - scheduled for February 13, 2023. (see page 3 of the below listed web link)

Please use of below listed email as our point of contact - and advise us in advance of any cost associated with our request for this public record.

**Allison Hughes & John Reid:**

Ms. Hughes and Mr. Reid - we (VolusiaExposed.Com) anticipate publishing an article detailing Ms. Nicole Jackson-Maldonado's (Jackson) acceptance of a plea deal. Our publication deadline is the next 24 to 72 hrs.

We noted that both of you (Hughes and Reid) attended the Jackson sentencing hearing (video supported).

As was noted by us (VolusiaExposed.Com) - as well as was memorialized with the Daytona Beach News-Journal (see below linked DBNJ article) - during Jackson's sentencing - she appeared to be heavily relying on her **juvenile public defender** who was seated to her right. That apparently was you, Ms. Hughes.

Ms. Hughes - according to the below linked schedule from the 7th Judicial Nominating Commission (JNC) - you have submitted an application to fill an open judicial position.

Mr. Reid - according to the below linked document - you are a current commissioner on the 7th Judicial Nominating Commission. You are also a senior ranking member of the 7th Circuit State Attorney's Office - therefore, explaining your attendance at the Jackson sentencing hearing.

While we (VolusiaExposed.Com) are not currently alleging any nefarious motives by either you or Ms. Hughes. We seek assurances from both of you - that there was no type of Quid Pro Quo agreement - involving Ms. Jackson's plea deal acceptance - and Ms. Hughes' pending consideration for a judicial appointment nomination.

**Ms. Hughes - did you make a pre-sentencing advisement to Ms. Jackson - that you were seeking a judicial appointment - and that a ranking member of the Prosecutor's office was a commissioner on the JNC ?**

If either of you wish to provide any comments or clarity to our pending article - please do so prior to our publication deadline (next 24-72 hrs).

Regards,
