Chief Jakari Young:

Noticed this video on James Madison Audits (see below link).

Did you leave your dog in the car while you went into the Port Orange Target?

Does the DBPD enforce Florida animal cruelty laws?

Hopefully - you don't believe you are above the law. So shall we assume you have no problems with a pet being left in a hot car (not running) in 86 degree heat for approximately ten minutes - apparently the length of time you were in Target.
