Subject: Public Records Request - Perez
Date: Thu, 20 Oct 2011 14:24:45 -0400

Mr. Gallegos
City Manager
City of Wilton Manors, Florida

Mr. Gallegos:

Captain Costello of the Wilton Manors PD states that you are the point of contact regarding our request for records involving former Chief of Police, Richard Perez.

Please accept this as a request for public records, as per Florida Statutes Chapter 119.

We request a copy of any and all CJSTC 61 / 61A and CJSTC 78 forms filed by the City of Wilton Manors on former Chief of Police Richard Perez. (CJSTC = Criminal Justice Standards and Training Commission).

We request copies of the City of Wilton Manors investigations into former Chief Perez sending racially motivated emails off of his city computer and his alleged abuse of personal leave time. These investigations would have been mandated by certain Florida Laws (see below reference).

We highly suspect that if these violations were sustained by the city's investigations, that legal requirements would have mandated that these violations be reported to the Florida Department of Law Enforcement (CJSTC) via a CJSTC 78 form(s).

Reference: F.S. 943.1395(5), F.S. 112.313(6) and Florida AdministrativeCode 11B-27.0011

Please advise of of any costs associated with this public records request. If possible, we prefer the records be sent electronically to the below list email address. We shall forward any costs for these

records, to your office, prior to their electronic delivery to us.

Thank You
