Hello:

We have two questions:

1. How is your decision to run in a partisan election for Brevard County sheriff not a violation of the Hatch Act?
2. According to your website - you are the Resident Agent in Charge of Volusia and Brevard County. You also indicate on your website that you direct budgeting for FDLE (part of the executive branch of Florida government) for those counties. Does any of that budgeting include federal funds / grants?

Thank You
