Subject: PRR - County Fire Fund / EVAC

Mr. Dinneen:

VolusiaExposed anticipates posting an article regarding the county fire fund.

From our viewpoint, Mr. Recktenwald has stated (on video), on more than one occasion, that EVAC financial shortfalls (failure to collect transport fees) are covered by the county fire fund.

You stated during the April 2, 2015 County Council meeting that you can prove that the fire fund is NOT used to cover EVAC operations (see below video link). You also made a point to state that to do so, would be illegal. We make this public record request (PRR) for that "proof", and any clarity your office can bring to this matter.

Please use our below email address as our point of contact, and advise us in advance of any costs that are associated with this particular PRR.
