

Court records indicate that the judge assigned to your criminal prosecution is (was) Margaret Hudson.

Court records also indicate that the Volusia County Sheriff Department is (was) the charging law enforcement agency in your case.

Our (VolusiaExposed.Com) question to you is whether you would have a problem, if Judge Hudson was related to the former Commander of Investigative Services within the Volusia County Sheriff Department (Retired - 2005 Commander Dave Hudson)? Recent FDLE and VCSO records indicate that Dave Hudson still maintains a part-time deputy status within the VCSO.

We (VolusiaExposed.Com) have posted two previous articles discussing this possible judicial conflict of interest, and we anticipate posting a third. If possible, we would like to post your thoughts / comments on this topic.

Sir, you are one of four criminal defendants, that we are reaching out to, regarding this possible judicial conflict of interest.
