Dear Captain Mims::

We have completed a review of the information submitted concerning the above-named officer and have found that there is no basis for any further action by the Criminal Justice Standards and Training Commission at this time.

This decision is based upon the finding that insufficient grounds exist under the guidelines of Chapter 943.1395, Florida Statutes, to pursue any disciplinary action by the Commission since the misconduct occurred prior to certification.

Determinations by the Commission, as an independent regulatory commission in accordance with Chapter 943, Florida Statutes, are separate and distinct from any employing agency action, and in no way reflects upon their investigation, findings, conclusions, and/or disciplinary action.

Should you have any questions or concerns regarding this decision, please contact Bureau Chief Jim Murphey, at telephone number (850)410-8636.

Thank you for your cooperation and assistance.

Sincerely,
