The below linked DBNJ article states that there are many questions connected to the Kathy MacDonald shooting.

<http://www.news-journalonline.com/article/20140322/NEWS/140329752/1025?Title=Shooting-of-Flagler-cop-x2019-s-wife-leaves-many-questions>

VolusiaExposed is considering posting an article on this shooting incident / investigation.

Our question is why hasn't SA Larizza recused his office from the MacDonald shooting, in similar fashion as he did in the OConnell shooting (St. John's County)

<http://volusiaexposed.com/specialcountynews/oconnell2.html>

Does Mr. Larizza enjoy less of a working relationship with the Flagler Beach PD or the Flagler Sheriff Department, than he does with the St. John's Sheriff Department?

If memory serves - Larizza also recused himself from the Jamesin Fischer

DUI / Homicide case out of the Flagler County SO.
