I appreciate the opportunity to respond prior to the publication of your article. I would like to inform you, I forwarded the complete investigation and the CJSTC Form 78 with the commission well in advance of the investigation becoming public record. I encourage you to contact them and verify this. Please feel free to contact me with any concerns you have. Thank you.

Dear Chief Arcieri:

Below is the rough draft of an article we are working to post by this coming Monday. It details the recent Ofc. Geiger incident / investigation.

Should you have any comments / clarifications - we would certainly entertain them.

Once we have posted our article - it is our current intentions to forward a copy of our article, as well as the Daytona Beach News Journal article, to the CJSTC for possible compliance (FAC11B-27) review.

Regards;

VX
