**PROBABLE CAUSE**

CAD INCIDENT DISPOSITION CODE: [0405] [ A1] The undersigned certifies and swears that there is probable cause to believe the above-named defendant, on the 30th day of July, 2013, at approximately 1520 hrs  A.M.  P.M. at 4015 Lewis Speedway within St. Johns County, violated the law and did then and there:

The defendant, Gloria Simmons, did unlawfully commit 1) disorderly conduct and 2) resisting Leo with violence to wit:

Gloria Simmons, came to the Sheriff's Office to make a report in reference to an incident which occurred on July 1, 2013 and had already been handle by the SJSO. During my contact with G Simmons in the lobby office of the Sheriff's Office, G Simmons became agitated and demanded we sign charges on a subject who was involved in the earlier incident. After detailed explanation as to why I was not signing charges in reference to that incident, G Simmons stated, "this is all bull shit and I'm sick of this kind of shit around here". G Simmons then picked up her papers and left the office. As she walked out of the office into the Sheriff's Office reception area she stated, some thing to the affect of "ya'll are all fucked up". As I followed G Simmons out of the lobby area outside I observed Sarah St. Martin and her three children standing there hearing everything said by G Simmons. I followed G Simmons outside and told her that her actions and foul language she used inside the lobby were unacceptable in front of the lady and small children inside the lobby. I walked back into the lobby and asked S St. Martin if her children and she were ok and she stated, they were and she found the language used by G Simmons to be offensive and her actions startled her children and frightened her oldest son.

I then exited the lobby and approached G Simmons who was walking towards the parking lot and advised her she was under arrest for disorderly conduct and to put her hands behind her back. G Simmons attempted to turn to face me at which time I grabbed both of her arms in order to secure her and she tensed up refusing to allow me to handcuff her. I again told G Simmons she was under arrest and to put her hands behind her back and she continued to resist my lawful efforts and attempted to get away from me. At this point I grabbed her with both arms and leg swept her, taking her to the ground in order to gain control so she could be handcuffed. Once on the ground G Simmons continued to resist, grabbing my sunglasses and pulling them off of my face, grabbing me by my right arm and hand and refusing to put her arms behind her back. Deputy Banks then grabbed her by an arm and we both attempted to handcuff her. During the struggle she continued to resist, pulling her arms and hands from our grip. Eventually we were able to secure G Simmons. As a result of the incident I sustained all of which were treated by me on scene.

After securing G Simmons she stated her \_\_\_\_\_ and requested to be checked by Fire/Rescue personnel. Fire/Rescue responded to the scene and cleared G Simmons. I transported G Simmons to the jail without further incident.

On 7/30/13, I responded to the St Johns County Sheriff's Office in reference to a complaint of battery. Upon arrival, I met with Gloria Simmons who stated she wanted to pursue charges of battery against Joseph Pollack, a maintenance worker employed by her apartment complex. G Simmons went on to state that during an altercation that took place on 7/1/13, she was pushed down a flight of stairs. After reading over the case that was reported by the SJSO on the day it occurred, I found no probable cause to sign charges on J Pollack for battery.

When I advised G Simmons that there was not probable cause to sign charges, she became agitated and began to use foul language in front of children and another woman who were waiting in the lobby of the SJSO.

Dep Edenfield then placed G Simmons under arrest for disorderly conduct. While attempting to secure G Simmons, I observed Dep Edenfield redirect G Simmons to the ground while giving her verbal commands. I then ran over to Dep Edenfield to assist him in securing G Simmons. Once Dep Edenfield was able to gain physical control of G Simmons, I was able to secure G Simmons.

A response to resistance form was completed by this deputy.

On July 30, 2013 at just after 1415hrs, Mrs. Malinda Irwin contacted me and advised that Gloria Simmons was in the front lobby of the Sheriff's Office and she was requesting to "sign charges" on another individual for an incident that reportedly occurred on July 13, 2013. I requested M. Irwin contact the Comm Center and request a patrol unit respond to the lobby. Within the next half an hour, I went to the lobby to check the status of the situation. I noticed three small children, with what I assumed was their mother in the lobby. Deputy Edenfield was exiting the small interview room in the lobby and came out to speak to me. He explained that G. Simmons was being irrational and was insistent that he and Deputy Banks were not assisting her with the situation. I advised Deputy Edenfield that I would assist if needed, but he assured me they could handle the situation.

I returned to my office. Several minutes later, M. Irwin called me and said that G. Simmons caused a scene in the lobby and requested I assist. As I entered the lobby, Deputy Edenfield approached me and said G. Simmons became very upset and began to yell obscenities in the presence of the young children in the lobby. He said all attempts to calm her failed. I told Deputy Edenfield that G. Simmons had recently been in the Sheriff's Office lobby and caused a scene, to which I responded. G. Simmons was warned about her conduct at that time (Wednesday, July 03, 2013). In fact, I explained the only reason why G. Simmons was not arrested based on her conduct, was the fact that no other persons were present to witness her behavior.

Deputy Edenfield made contact with the mother of the small children and asked if she was offended by the G. Simmons' conduct. The woman told Deputy Edenfield that she did not believe her children needed to witness or overhear G. Simmons' rant. At that time, G. Simmons was walking south toward the parking lot of the Sheriff's Office. Deputy Edenfield told me he would be arresting G. Simmons and exited the Sheriff's Office. He ran to catch G. Simmons, telling her to stop. Deputy Edenfield approached G. Simmons and attempted to handcuff her; as he did, G. Simmons began pulling away. Deputy Edenfield began to struggle to handcuff G. Simmons, so he put her on the ground to gain better control. Deputy Banks, Deputy Swindull, and I ran to assist. Deputy Edenfield and Deputy Banks struggled with G. Simmons as they attempted to gain her compliance in order to properly handcuff her. G. Simmons was continually told to stop resisting and to put her hands behind her back. I witnessed her try to strike and scratch at Deputy Edenfield's face, pulling his sunglasses off of his person. G. Simmons was eventually secured. Once she was secured, she said her . Deputy Banks requested Fire-Rescue respond to evaluate G. Simmons. I remained with Deputy Banks and G. Simmons until Fire-Rescue arrived and evaluated her.

Once G. Simmons was evaluated, I requested surveillance footage from the I.T. Section. That footage was obtained and submitted as evidence.

After securing G Simmons she advised and she requested Fire/Rescue for evaluation. Fire/Rescue responded to the scene and checked G Simmons's which in their opinion was normal. G Simmons then stated, her was sore and requested to be take to Flagler Hospital for medical evaluation. I transported G Simmons to the sally port where she was initially evaluated by Jail Medical Staff who requested she be checked by Flagler Hospital being booked into the County Jail. I then transported G Simmons to Flagler Hospital via my issued patrol car #727. While en-route to the hospital G Simmons was agitated and advised "I am fucking sick of this Sheriff's Office doing nothing with the charges I want against that ass hole at my apartment complex". I again explained to her why charges would not be signed in reference to the incident which occurred on July 1, 2013. G Simmons continued to curse stating, "did you hear about that guy in Hialeah Florida who killed all of those people at his apartment complex last week"? I advised her I did and asked why she was asking me about it. G Simmons stated, "that is the kind of thing I am trying to avoid doing and you not helping me could cause that to happen". I advised G Simmons not to make that kind of statement and I would be documenting her comments in my report. She stated, "I don't give a shit, ya'll aren't helping me anyway".

G Simmons was evaluated by Flagler ER staff and released with an unknown type injury to her left shoulder. G Simmons was transported by SJSO Corrections Deputy where I met them at the sally port and provided the charging affidavit to Jail Staff. It should be noted Sgt M West responded to Flagler Hospital and was briefed in reference to the incident.

On 07/30/2013 I responded to the front desk in reference to assisting Sgt. Payne with an individual, Gloria Simmons, who was causing a scene in the lobby.

When I arrived in the lobby I saw Deputy Edenfield speaking with a female and heard him ask her if she was offended by the behavior G. Simmons displayed. The female was accompanied by three small children at the time. The female stated her children shouldn't have heard the language coming from the other woman, G. Simmons. At that time Sgt. Payne informed Deputy Edenfield G. Simmons had been previously warned about her behavior in the lobby and needed to be arrested for this outburst.

Agency Case Number <b>SJSO13OFF008588</b>	Report Date / Time <b>07/30/2013 03:35 PM</b>	Offense Description <b>0412 RESISTING LEO WITH VIOLENCE</b>
CAD Incident Number <b>SJSO13CAD092189</b>	External Case Reference Number	Range of Occurrence Date/Time <b>07/30/2013 02:17 PM to 07/30/2013 02:17 PM</b>

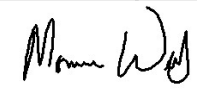

Deputy Edenfield quickly excited the building to secure G. Simmons. I followed Deputy Edenfield and Sgt. Payne outside to the front parking lot where I observed Deputy Banks standing with G. Simmons. As we exited the lobby G. Simmons began to walk away from Deputy Banks. Deputy was unaware of the charges at the time he was speaking to G. Simmons. Deputy Edenfield sprinted out to the parking lot and told G. Simmons to stop. G. Simmons continued to walk away as Deputy Edenfield approached her. I then saw Deputy Edenfield grab G. Simmons and attempt to restrain her; as he did G. Simmons tried to get out of his grip by twisting her body. G. Simmons continued to resist, so Deputy Edenfield had to take her to the ground in order to get control. Once on the ground G. Simmons still continued to resist Deputy Edenfield commands of 'Stop Resisting'. Sgt. Payne, Deputy Banks and I ran to assist Deputy Edenfield. Deputy Banks then had to assisted Deputy Edenfield in securing G. Simmons. G. Simmons continued to flail around and grab at the deputies who were trying to secure her.

At no point during the struggle did G. Simmons follow any of the orders given by either deputy. I know G. Simmons heard the commands of 'Stop Resisting' and 'Give Me Your Hands' because after each command she would yell "No", or make comments about her treatment being unfair, and that we don't want to help her.

After G. Simmons was secured and placed in the back of Deputy Edenfield's vehicle I went into Records and retrieved some First Aid supplies for Deputy Edenfield, who had sustained \_\_\_\_\_ from G. Simmons' resisting arrest.

No further action was taken by this deputy.

That on the 30 day of July, 2013.

I'm at the Sheriff's office getting background reports. While waiting in the lobby with my 3 small children, I heard a woman come out of an office where she was with police officers. When she walked out we heard her say "You guys are fucking" as quickly walking out of the office to go outside. My three children were startled. My oldest son said he was scared. I told the kids to cover their ears.
