Sheriff Chitwood:

Totally off the record, I just need to know - did you send the attached communication (see attached pic).

See nothing to "expose" here - just need to know.

Julie,

Trump is the piece of shit. A police officer is dead and your law and order President has not acknowledged his death. Trump's actions caused death and destruction. How dare you worship at the alter of Trump and sell our Nation down the road

I endorsed and voted for this thug. I was scammed. No more.

Stick you vote up your ass.
