RE: Termination

Dear Danny:

I have extensively reviewed and considered the Police Chief's "Termination Recommendation" memo dated September 26, 2017 along with all of the supporting documentation including the Internal Affairs Investigation #17-01-DJD, audio and transcript of the incident that took place on January 31, 2017 as well as all of the evidence (written and verbal) presented at the pre-disciplinary hearing held on September 20, 2017. Based on my evaluation of all the information, I support the recommendation for termination of employment by Chief Wright.

Management in our City is held to a higher standard and it would not be prudent to continue your employment as it would subject the City to a great amount of liability moving forward. Therefore, with much regret, your employment with the City is terminated effective immediately. Please contact Trudy O'Dell, Human Resources Director, to discuss benefits and final payout.

Sincerely,
