RE: Public Records Request

To Whom it May Concern,

I am responding to your (second) request dated January 16, 2012. You have requested any "document(s), record(s), list(s), policies etc., that your organization maintains or relies on, to identify, track or memorialize, current or past, law enforcement officers' background, that should the situation dictate, would mandate a Brady acknowledgement from your organization (7th Circuit – State Attorney Office, State of Florida)."

While we of course comply with the requirements of Brady v. Maryland, 373 U.S. 83 (1963), that does not require that we keep such a list, nor do we keep such a list. So, again, in response to your request, there is no such document.

My e-mail address is LyK@sao7.org. I hope this clarifies our previous letter.

Sincerely,

A handwritten signature in cursive script that reads "Klare Ly".
