NARRATIVE / CONTINUATION

1 On 11-6-2015, Deputy Luoma responded to [REDACTED] Deltona in reference to a shooting call.

2

3 Prior to arrival, Deputy Luoma learned the reporting party, Bobby Harrelson (R1), had stated [REDACTED] he had shot his uncle who was

4 "Attacking" his mother.

5

6 Upon arrival, Harrelson was standing in the front yard of the residence with his hands in the air. Harrelson complied with Deputy Luoma's verbal

7 commands walking backwards with his hands visible to the middle of the road where he was secured in handcuffs by Deputy Escobar.

8

9 Deputy Luoma asked Harrelson who else was in the residence and what rooms they were in. Harrelson replied his mother was on the floor in the

10 living room and that his uncle was in the same room. When Deputy Luoma attempted to call Harrelson's mother out of the residence utilizing the

11 P.A. system, Harrelson advised his mother was too distraught to get up and because of medical conditions, could not walk well.

12

13 Deputy Luoma, Sergeant Whitener, and a team of deputies approached the front and garage area of the residence. Deputy Campbell was

14 unsuccessful with establishing contact with Hazel Kinds (O1) from the front door. Deputy Luoma heard Kinds crying and moaning from the open

15 door of the garage leading to the residence. Deputy Luoma and Sergeant Whitener entered the residence through the garage as Deputy Campbell

16 and her team held the front door.

17

18 Deputy Luoma observed Kind on the floor, next to a table, lying in a fetal position crying and moaning. Deputy Luoma observed a deceased Ray

19 Davis (V1) lying on his back on the floor to the left of Kind with blood emanating from under the back of his head. A search of the residence was

20 made for any additional persons yielding negative results.

21

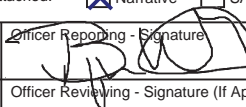

22 As Deputy Campbell and her team were tending to Kind, Deputy Luoma observed a black Glock handgun on the couch. Deputy Luoma showed

23 Sergeant Whitener where the handgun was located. The handgun was left in place, the residence was vacated, and a crime scene log was

24 started.

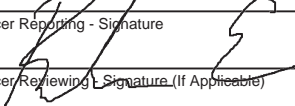

25

26 No further investigative action was conducted by Deputy Luoma in this case.

1 On 11/06/2015 at approximately 1834 hours, Deputy Campbell responded to [REDACTED] Deltona, in reference to the report of a person  
 2 shot. Upon arrival, Deputies secured Bobby Harrelson and he advised his mother, Hazel Hinds, was still inside with his uncle, Raymond Davis.  
 3 Deputy Campbell approached the front door of the residence and attempted to call Hinds from the residence. Deputy Campbell was the first  
 4 Deputy at the door and made several announcements for Hinds to exit the residence. Deputy Campbell could hear a female inside hysterically  
 5 crying but was not exiting the residence. Deputy Campbell, Deputy Hansard, Deputy Demarco and Deputy Luoma entered the residence and  
 6 observed Hinds face down on the kitchen/dining area floor. Deputy Campbell observed Davis lying on his back on the living room floor with blood  
 7 emanating from the back of his head and observed a black pistol on the couch closest to the kitchen. Deputies cleared the residence and did no  
 8 locate any other people inside.

NARRATIVE / CONTINUATION

1 On 11-06-2015, at approximately 1930 hours, Inv. Amrhine was contacted via telephone by Sgt. Thoman. Sgt. Thoman advised there was a  
 2 homicide, and requested Inv. Amrhine respond to the scene, advised to be [REDACTED] Deltona. Sgt. Thoman stated that a male shot his  
 3 uncle in the head after the uncle attacked the male's mother. Sgt. Thoman advised Inv. Betz would be responding, as well as on call CID and  
 4 Crime Scene Unit.  
 5  
 6 Inv. Amrhine later responded around 2130 hours to the VCISO District IV Office to meet with investigators there. Inv. Amrhine was briefed on the  
 7 current incident status, as well as that Inv. Betz was conducting an interview with Hazel Hinds, who was identified as the shooter's mother. The  
 8 shooter was advised to be Bobby Harrelson, an off duty Deland Police Department Sergeant. Harrelson was also currently at the District IV Office  
 9 with his attorney and union representative. Inv. Amrhine was advised Harrelson was not in custody, and was at the office on his own free will. Inv.  
 10 Amrhine was advised Harrelson would not be giving a statement, but would be responding to VCISO Operations Center on 11-09-2015 along with  
 11 his attorney for an interview.  
 12  
 13 Inv. Amrhine coordinated with Inv. Paul in the completion of a search warrant for the residence located at [REDACTED] Deltona. The  
 14 completed search warrant was reviewed by HIU Attorney Davis. Inv. Amrhine and Inv. Paul then responded to meet with the on call judge. The  
 15 search warrant was signed by the Honorable Judge Miles on the same date (11-06-2015).  
 16  
 17 Inv. Amrhine was advised Inv. Paul would be making next of kin notification to Davis' son Steven Davis at his residence in Longwood, FL.  
 18 Investigators Amrhine, Betz, Burke, Sgt. Thoman, along with CSIs Graves, Turner, and Bethea of the Crime Scene Unit then responded to [REDACTED]  
 19 [REDACTED] Deltona, to execute the search warrant. Upon arrival, Inv. Amrhine observed there was crime scene tape set up around the yard  
 20 of the residence, and there were marked patrol cars on scene with Deputies maintaining a crime scene log. Inv. Amrhine then read the search  
 21 warrant aloud in front of the residence on video recording by CSI Bethea.  
 22  
 23 After Crime Scene Unit completed their photographic documentation of the scene, Inv. Amrhine entered the residence via the front door. Inv.  
 24 Amrhine made the following observations at the scene:  
 25  
 26 The interior lights were on in the kitchen and living room. The residence appeared clean and tidy with not much clutter. There was a round dining  
 27 table in a dining area which sat next to the living room. There were prescription pill bottles on the table, and a medical device (oxygen or assisted  
 28 breathing apparatus) up against the bottom of the table. Nearby on the floor, there was a blue walking cane which was broken in half. The living  
 29 room did not appear in disarray. There was a red in color reclining loveseat sofa which faced away from the kitchen. There was a Glock  
 30 semi-auto handgun lying in plain view on the left hand side cushion nearest to the hallway. There was a spend shell casing lying in plain view on  
 31 the right hand side cushion nearest to the dining area. The right side recliner was in the reclined position.  
 32  
 33 The victim's body was observed lying on the floor face up with back on the floor and arms out to the side. The victim was observed to be an older  
 34 white male, identified as Raymond Davis. Davis was wearing only boxer shorts, and no other personal effects were observed. Davis' body was  
 35 lying in a large pool of blood, appearing to originate from the rear of the head. The blood appeared dark in color, and had already begun to  
 36 separate/coagulate. No other noticeable or apparent physical injuries were observed from Inv. Amrhine's vantage point.  
 37  
 38 An empty liquor bottle was observed sitting on the floor near the left hand side of the sofa next to an end table. There was an empty Coke 2-liter  
 39 bottle lying on the floor opposite to the end table on the other side of the victim's body.  
 40  
 41 Medical Examiner's Office Forensic Investigator Orozco responded to the scene. When FI Orozco and CSU turned the victim's body over, Inv.  
 42 Amrhine observed blanching and lividity in the victim's back. An obvious injury was also observed to the rear of the victim's head, consistent with  
 43 a gunshot wound.  
 44  
 45 The victim was then taken into Medical Examiner's custody via livery service and transported to the Medical Examiner's Office for later autopsy.  
 46 See Crime Scene Unit supplements for details regarding scene processing and evidence collection.  
 47  
 48 Inv. Amrhine provided a copy of the search warrant to the Crime Scene Unit, who left the copy along with an inventory receipt in the residence  
 49 prior to the conclusion of the search.  
 50  
 51 The residence was secured and sealed by patrol.  
 52  
 53 On 11-07-2015, Inv. Amrhine was advised by Inv. Betz, that Steven Davis wished contact by the case agent regarding the investigation. Inv.  
 54 Amrhine then made telephone contact with Steven at his provided telephone number. Inv. Amrhine identified himself to Steven, and advised he  
 55 was the case agent in the investigation. Steven advised he had concerns regarding the circumstances surrounding the incident. Steven advised  
 56 he believed all (3) individuals involved in the altercation were consuming alcohol the night of the shooting. Steven was also concerned because  
 57 Harrelson shot his father Davis in the head, instead of some other part of the body. Steven also voiced concerns that Harrelson, because of his  
 58 employment in law enforcement, knew how to stage a crime scene.

<b>NARRATIVE / CONTINUATION</b>	<p>59</p> <p>60 Inv. Amrhine advised Steven that he wished to speak with him further regarding his concerns as well as any knowledge regarding the relationships</p> <p>61 and history of the parties involved in the incident. Inv. Amrhine requested that Steven meet with him at a later date and time to speak in person</p> <p>62 regarding the incident. Steven agreed to meet with Inv. Amrhine at the VCISO Operations Center.</p> <p>63</p> <p>64 On 11-09-2015, around 0907 hours, Inv. Amrhine along with Inv. Betz met with Harrelson and his attorney Martin White at the VCISO Operations</p> <p>65 Center for an interview. Harrelson was interviewed in an unlocked interview room with his attorney present. The following pertinent information</p> <p>66 was obtained during the audio/video recorded interview:</p> <p>67</p> <p>68 Investigators re-introduced themselves to Harrelson, as well as reiterated that he was not in custody and was free to leave at any time during the</p> <p>69 interview. Harrelson provided the following initial account of the incident:</p> <p>70</p> <p>71 Harrelson advised he resided at [REDACTED], Deltona, which was the location of incident. Harrelson (51 years of age) advised he lived at</p> <p>72 the residence along with his mother Hazel Hinds (76 years of age), and his uncle Raymond "Ray" Davis (68 years of age). Harrelson stated he</p> <p>73 was relaxing during the day on Friday 11-06-2015, as he had been at a school all week and did not have to return to work until Monday</p> <p>74 11-09-2015. Harrelson stated he was not doing much of anything other than some chores, and intended on eating dinner at home.</p> <p>75 Harrelson advised he had been a law enforcement officer since 2003, and currently was employed as a Deland Police Department Sergeant.</p> <p>76 Harrelson advised he observed around 1200 hours on 11-06-2015, that Davis was already intoxicated. Harrelson advised around 1700 hours, he</p> <p>77 observed Davis start the oven to get dinner ready, but then saw Davis go into his bedroom and passed out. Harrelson advised this was something</p> <p>78 Davis did on occasion. Harrelson advised from about 1800 hours on, he was sitting on the couch with his mother (Hinds) watching television and</p> <p>79 conversing with her. Harrelson advised he then observed Davis come raging out of his room unprovoked, which was something he witnessed on</p> <p>80 (2) separate occasions prior. Harrelson stated Davis would always ask the same thing; why are you making so much fucking noise? Harrelson</p> <p>81 described another instance he witnessed Davis yell at Hinds about making noise at 0700 hours, when in actuality it was 1900 hours at night.</p> <p>82 Harrelson stated Davis saw him standing in the kitchen, and turned around and went back into his room. Harrelson advised Davis did not go back</p> <p>83 into his room during the latest incident. Harrelson then described the confrontation further.</p> <p>84</p> <p>85 Harrelson stated Davis stood near the recliner sofa, grabbed onto Hinds, and pulled her up from her seated position. Harrelson stated he believed</p> <p>86 Davis grabbed Hinds by the neck. Harrelson advised he attempted to intervene and pull the two apart. Harrelson advised Davis then began to</p> <p>87 strike him while Harrelson attempted to pull Hinds away from harm. Harrelson advised he believed Davis attacked him to keep him away.</p> <p>88 Harrelson advised Davis stated multiple times that he was going to kill both of them, meaning Harrelson and Hinds.</p> <p>89</p> <p>90 Harrelson stated at some point Davis must have pushed them, because Hinds fell to the floor and Harrelson fell back into the dining table.</p> <p>91 Harrelson stated by the time he stood up, he saw that Davis was straddling Hinds as she was on her back on the floor. Harrelson described</p> <p>92 seeing Davis throttling Hinds' neck while saying he was going to kill her. Harrelson stated Hinds was screaming at the beginning of the attack.</p> <p>93 Harrelson then attempted to pull Davis off of Hinds, but stated it was ineffective and would only hurt Hinds more. Harrelson stated when he pulled</p> <p>94 on Davis, Hinds would move as well. Harrelson stated Davis was a large man, and he could not get Davis off of Hinds. Harrelson stated he</p> <p>95 believed Davis was killing Hinds based on Davis' statements and actions. Harrelson stated he felt that death was imminent.</p> <p>96</p> <p>97 Harrelson advised he believed Hinds only had seconds to live, so he retrieved his duty weapon and ordered Davis off of Hinds. Harrelson stated</p> <p>98 he ordered Davis to get the fuck off of her (Hinds), but Davis did not stop. Harrelson stated he fired his weapon one time, which struck Davis and</p> <p>99 ended the attack immediately. Harrelson advised his intention was to end the attack. Harrelson stated Davis then rolled onto his back which</p> <p>100 caused him to lie next to Hinds. Harrelson stated he then grabbed Hinds and drug her away to the sliding glass door in the dining area. Harrelson</p> <p>101 described Hinds as hysterical at that point. Harrelson stated he [REDACTED] awaited law enforcement arrival.</p> <p>102</p> <p>103 Investigators then began to question Harrelson regarding the specifics of his advised statements, and to also obtain further details regarding the</p> <p>104 incident.</p> <p>105</p> <p>106 Harrelson advised Davis had been living in the residence with Hinds for a few years, and Harrelson moved into the home in January of 2015.</p> <p>107 Harrelson stated there was one week where Davis moved out because Hinds was upset with him about his alcohol consumption. Harrelson</p> <p>108 advised Davis moved in with his son Steven, who also did not like Davis' alcohol consumption, so Davis moved back home. Harrelson stated his</p> <p>109 relationship with Davis was fine; however, he got frustrated with Davis' drinking habits. Harrelson described their relationship as an uncle nephew</p> <p>110 relationship, and they were more of acquaintances. Harrelson described Davis and Hinds relationship, stating Hinds referred to Davis as her baby</p> <p>111 all the time since she practically raised him. Harrelson stated Hinds probably loved Davis as much as she loved Harrelson. Harrelson stated he</p> <p>112 knew Davis to be caring to Hinds, and helped out with her medical needs since he had a medical background.</p> <p>113</p> <p>114 Harrelson advised that prior to him moving into the residence, over a year ago, he noticed suspicious bruising on Hinds' face (cheekbone area).</p> <p>115 Harrelson stated Hinds told him that the bruising was caused by falling down. Harrelson stated he would not expect Hinds to take physical abuse</p> <p>116 from any man, but stated she never told him she was being abused. Harrelson stated he would have expected Hinds to tell him if she was</p>

<b>NARRATIVE / CONTINUATION</b>	<p>117 suffering from physical abuse. Harrelson stated he asked Davis about the bruising when he first saw it, and David told him that Hinds would fall often after taking Valium. Harrelson stated he believed both Davis and Hinds, because he knew that Hinds would fall from time to time as she did utilize a walker. Harrelson described an instance when Hinds told him bruising she had on her eye socket (black eye) was from falling into a dresser next to her bed.</p> <p>121</p> <p>122 Harrelson stated since he has lived at the residence, he has not observed Hinds to have any suspicious bruising.</p> <p>123</p> <p>124 Harrelson described Davis as a heavy alcohol user, and that he consumed alcohol (liquor) every day.</p> <p>125</p> <p>126 Harrelson stated Hinds told him after the incident, in their hotel room, that Davis had been physically abusing her (hitting). Harrelson stated Hinds told him that Davis asked her if Harrelson (Bobby) saw Davis hit her. Harrelson stated Davis asked her that because Davis was too intoxicated to remember if he had struck Hinds in front of Harrelson. Harrelson stated he did not have any knowledge of Davis physically abusing Hinds prior to 129 that night.</p> <p>130</p> <p>131 Harrelson then drew an overhead view layout of the living room of the residence, as well as where everyone involved was located in the room during the altercation.</p> <p>132</p> <p>133</p> <p>134 Harrelson stated the television's volume was on a low setting, and the television was turned off when deputies got to the residence.</p> <p>135 Harrelson advised he consumed alcohol the evening of the incident, which included a couple of beers and a shot of tequila around 1730-1800 hours. Harrelson stated he did not have any alcohol until then. Harrelson advised he did not have any knowledge of Hinds consuming any alcohol 137 that evening. Harrelson stated he knew Davis was intoxicated by the way he was talking and had observed Davis consuming alcohol earlier in the 138 day.</p> <p>139</p> <p>140 Harrelson stated the confrontation was completely unforeseen. Harrelson advised Davis threw his bedroom door open, and came out of the 141 bedroom. Harrelson further stated during the attack, Davis was striking him while Harrelson attempted to get Hinds away from Davis. Harrelson 142 advised he had some bruising which developed since the incident, and advised investigators could obtain photographs of the injuries.</p> <p>143 Harrelson repeated that he yelled for Davis to stop, but advised Davis would only respond that he was going to kill both you (meaning Hinds and 144 Harrelson). Harrelson stated he believed Davis was intent on carrying out the threat.</p> <p>145</p> <p>146 Harrelson advised when both he and Hinds fell to the ground, Hinds fell to her back with her head pointing towards Harrelson's bedroom. 147 Harrelson stated he observed Davis was facing the same direction that Hinds' head was pointing, as Davis was straddling her chest while 148 strangling her. Harrelson stated he jumped up and ran over to Davis and attempted to pull Davis off of Hinds. Harrelson advised he only 149 attempted to pull Davis off of Hinds, and he did not attempt any strikes or other forms of pain compliance (knee strikes, hand strikes, choke holds, 150 etc.). Harrelson stated he repeatedly ordered for Davis to get off of Hinds, but that had no effect.</p> <p>151</p> <p>152 Harrelson reiterated that Davis was throttling Hinds' throat while saying he was going to kill her. Harrelson stated Hinds was screaming noises, but 153 not saying anything discernable. Harrelson stated he did not believe Hinds had much time to live. Harrelson stated he had no other choice but to 154 end the threat by retrieving his firearm. Harrelson stated the firearm he utilized (Glock model 35 .40 cal.) was located inside a holster affixed to his 155 Deland Police Department issued duty belt, along with a Taser model X26, an Asp expandable baton, a pair of hinged handcuffs, and a portable 156 radio. Harrelson advised the belt was lying out in the open on a table in his bedroom near the doorway.</p> <p>157</p> <p>158 Harrelson advised that he has had previous experiences where Taser was ineffective, and further stated that if he would have chosen to utilize his 159 Taser and a malfunction occurred he believed Hinds would have been killed.</p> <p>160</p> <p>161 Harrelson stated he believed the Asp expandable baton would have been ineffective, due to the large size of Davis. Harrelson advised he did not 162 believe that would have stopped Davis, moreover, he believed Davis would have further angered.</p> <p>163</p> <p>164 Harrelson was adamant that if he did not act quickly and utilize his firearm to stop the attack, he felt that Hinds would have been killed.</p> <p>165</p> <p>166 Harrelson stated after he retrieved his firearm, he went to the hallway opening to the living room and ordered Davis off of Hinds again. Harrelson 167 also stated at that point Hinds was no longer yelling. Harrelson advised he was about (8) feet away from Davis at the time he fired his weapon. 168 Harrelson advised he was in clear view of Davis if Davis would have looked at him. Harrelson did not know if Davis looked up at him or not. 169 Harrelson stated although he ordered Davis to get off of Hinds, he did not verbally threaten to shoot Davis nor did he say he had a gun. Harrelson 170 did not know how long he gave commands to stop, but advised he repeated them several times prior to shooting. Harrelson stated Davis was 171 looking at Hinds towards the ground when he fired at him. Harrelson stated he aimed specifically at Davis' head when he fired a single shot. 172 Harrelson advised Davis stopped immediately, and rolled off onto the floor. Harrelson stated Davis fell to his back with his head pointing in the 173 same direction as Hinds' was (towards the bedrooms). Harrelson advised he then went to Hinds and dragged her away from Davis towards the 174 dining area. Harrelson did not remember what he did with the firearm, nor where he retrieved his Sergeant's phone, Deland PD issued cell phone,</p>

The path</p> <p>298 of the projectile was described (generally speaking) as being from back to front, left to right, and a downward angle. The entry wound was free of</p> <p>299 soot, stippling, or muzzle imprint. The projectile impacted the inner portion of the right temporal bone, and therefore was no exit wound.</p> <p>300</p> <p>301 The toxicology report showed positive findings for the following substances:</p> <p>302</p> <p>303 Ethanol (BAC of .169), Diazepam, Nordiazepam, Alprazolam, and Benzodiazepines.</p> <p>304</p> <p>305 The report was signed by Associate Medical Examiner M. Chiste M.D. on 01-26-2016.</p> <p>306</p> <p>307 On 03-30-2016, Inv. Amrhine reviewed an FDLE lab report in reference to DNA analysis regarding submitted standards and samples. After</p> <p>308 review, Inv. Amrhine observed the following information of notation:</p> <p>309</p> <p>310 The fingernail samples from Davis gave chemical indications for the presence of blood. Apparent hairs were observed on exhibit 4b (left</p> <p>311 fingernails), however, were not suitable for STR DNA analysis. No DNA results foreign to Davis were found on exhibits 4a and 4b (right and left</p> <p>312 fingernails).</p> <p>313</p> <p>314 The DNA swabs from Hinds' hair gave chemical indications for the presence of blood. A complete DNA profile was obtained, which determined</p> <p>315 that Davis was the source of the DNA.</p> <p>316</p> <p>317 No stains of significance for serology testing were found on exhibits 6 and 7 (Harrelson's shorts and shirt).</p> <p>318</p> <p>319 Exhibit 8 (Hinds' shirt) failed to give chemical indications for the presence of blood.</p> <p>320</p> <p>321 The report was signed by FDLE Crime Laboratory Analyst - Biology Section J. Heina on 02-09-2016.</p> <p>322</p> <p>323 On 04-11-2016, Inv. Amrhine and Inv. Calkins responded to [REDACTED] Deltona, in an attempt to contact Hazel Hinds regarding any</p> <p>324 Living Will she may have per the State Attorney's Office request. Upon arrival, contact was made with Harrelson at the front door of the residence.</p> <p>325 Inv. Amrhine identified himself, and advised of the reason for the response. After some dialogue with Harrelson, Harrelson advised he wished to</p> <p>326 consult with his attorney prior to Hinds speaking with Investigators again given her diminished mental/physical state. Inv. Amrhine assured</p> <p>327 Harrelson he would not be questioned without his attorney present, as that was not the purpose for the contact.</p> <p>328</p> <p>329 Inv. Amrhine captured the contact on audio recording.</p> <p>330</p> <p>331 On 04-14-2016, Inv. Amrhine later contacted Harrelson via telephone, per his request, and asked about speaking with Hinds. Harrelson advised</p> <p>332 he would ask Hinds if that was O.K., and she agreed to speak with Investigators as long as they did not question her about the night of the</p> <p>333 incident.</p> <p>334</p> <p>335 Inv. Amrhine and Inv. Calkins responded back to [REDACTED] Deltona, to speak with Hinds at her residence. Upon arrival, Investigators</p> <p>336 contacted both Harrelson and Hinds, and entered the residence. Inv. Amrhine obtained the following information from Hinds during an audio</p> <p>337 recorded conversation:</p> <p>338</p> <p>339 Hinds was asked if she had a Last Will, or anything similar to that type of legal document. Hinds advised she had a Living Trust, in which</p> <p>340 Harrelson was the beneficiary. Hinds stated she did not have a Last Will, nor was Davis a beneficiary of any of her assets. Hinds advised she</p> <p>341 made a change to her Living Trust after Davis' death, where she gave Harrelson authorization to write checks on her behalf. Hinds advised further</p> <p>342 that Davis was not taken off of her Trust and was never on it as a beneficiary.</p> <p>343</p> <p>344 Harrelson was present during the conversation, who advised the Trust was able to be copied if that was necessary in the future.</p> <p>345 Hinds swore her statements were true and correct to the best of her knowledge.</p> <p>346</p> <p>347 Inv. Amrhine noted that Hinds appeared lucid, and understood what she was being asked and was able to answer without any apparent confusion.</p> <p>348</p>
