Dear Sheriff Chitwood:

As you may know – our publication (VolusiaExposed.Com) published a July 30, 2022 article expressing a critical review of the arrest of Iyanna Rollins.

We request that you review the first twenty (20) seconds of the video (BWC) your office provided - regarding Sgt. Weaver's arrest of 18 year old Iyanna Rollins.

<https://youtu.be/PJdSifi7GtI>

From OUR (VolusiaExposed.Com) review of this video – Sgt. Weaver was employing his cellphone GPS navigation application in order to arrive at the burglar alarm location (2639 Ainsworth Ave) (see car dashboard).

We find it difficult - to believe Sgt. Weaver's account that he **"inadvertently"** (see **Weaver's report**) turned on to the wrong street (Academy Ave).

We suspect that Sgt. Weaver - with purposeful intentions - turned on to Academy Drive - in order to start a perimeter search for possible suspects to the burglar alarm.

We further **suspect** that the recent VSO call activity attached to the 2639 Ainsworth Ave address – regarding a landlord / tenant dispute (see below linked court document) was the actual catalyst for Sgt. Weaver approaching Rollins at the Academy Drive address.

Court records indicate that Ms. Naomi Robinson was evicted from the 2639 Ainsworth Ave address a few days after Ms. Rollins' arrest.

Court records indicate that Ms. Robinson was also arrested a few days after Ms. Rollins' arrest for fleeing and eluding – and battery on a law enforcement officer.

Both Ms. Rollins and Robinson are young women – with similar physical features – that apparently drive similar cars.

Iyanna Rollins

Naomi Robinson

In short – we suspect that Sgt. Weaver did NOT “inadvertently” turn down the wrong street – but rather - Sgt. Weaver “inadvertently” mistook Rollins for Robinson.

Further, and as noted within our July 30, 2022 article – Sgt. Weaver stated within his sworn report – that there were multiple subjects within Rollins car – that these unidentifiable subjects all left the scene and entered into the Academy Ave address. This is not a factual account – one of the subjects remained on scene during the entire encounter between Weaver and Rollins. The witness / subject can be seen & heard conversing with both Weaver and Rollins.

We now opine - that Sgt. Weaver's failure to provide an accurate account regarding the witnesses – directly calls into question his account of “inadvertently” coming into contact with Ms. Rollins.

Sgt. Weaver's rationale for his “Terry Stop” of Ms. Rollins does **not** appear to be consistent with the available evidence. Additionally – Sgt. Weaver's BWC video supports that it was Sgt. Weaver himself that first used profanity and the application of physical force – both suspected violations of VSO General Orders (see below linked copy).

**(important read – regarding concerns of how “Terry Stops” do not account for possible implicit bias of police officers, and possibly results in racially skewed decisions.)**
