Justin Sawicki turned in his resignation a few weeks ago and hasn't been here since, but I will have to check on the effective date. I don't have any details about whatever happened in Seminole.

Subject: Justin Sawicki's arrest

Andrew / Laura:

Getting a lot of emails - texts about VSO Lt. Justin Sawicki being arrested for DV strangulation (Seminole).... Seminole Clerk shows nada.... have you heard anything?

Also - does Justin Sawicki still work for the VSO - if not when did he leave and under what circumstances?

Regards,

VX
