

## ARTIFICIAL INTELLIGENCE'S INTERNET SEARCHES REGARDING VOLUSIAEXPOSED.COM CONCERNS ATTACHED TO VOLUSIA'S JUDICIARY ANN SHERIFF MICHAEL CHITWOOD

VolusiaExposed.com has published multiple critical reports and "open letters" regarding **Volusia County Sheriff Mike Chitwood** and judicial figures in the **7th Judicial Circuit**, including **Judge Dennis Craig**. The site often alleges ethical failures, political cronyism, and judicial misconduct within the Volusia County justice system. [[1](#), [2](#), [3](#), [4](#)]

### Key Allegations and Reporting

- **Judge Dennis Craig:** The publication has scrutinized Judge Craig's decisions, such as a 2024 case where he sentenced Colton Phillips to probation and sealed the court file. VolusiaExposed suggested this was a "sweet probation plea deal" potentially linked to the Phillips family's political contributions to Sheriff Chitwood's re-election campaign.
- **Sheriff Mike Chitwood:** The site frequently criticizes Chitwood for what it describes as "unethical shenanigans" and a "media propagated" image. One major focus is the June 2021 shooting and subsequent prosecution of a 14-year-old girl, which the site labels a "coordinated conspiracy" to deny her due process.
- **Direct Conflict:** In July 2025, VolusiaExposed published a dismissive email from Sheriff Chitwood stating, "nobody really cares what you publish" and calling the editor an "insignificant worm".
- **"Brady Cop" List:** VolusiaExposed maintains a list of local law enforcement officers whose veracity has been questioned by courts or departments, which includes notes on Chitwood's tenure as both Police Chief and Sheriff. [[1](#), [2](#), [3](#), [4](#), [5](#), [6](#)]

### Context on Public Disputes

While VolusiaExposed.com presents these issues as systemic corruption, Sheriff Chitwood has remained popular with many residents, often using social media to confront suspects directly or criticize judges he deems too lenient. For instance, in late 2025, Chitwood publicly "ripped" a different judge for a sentence he considered "complete bull\*\*\*\*" following an assault on a deputy, urging voters to replace that judge at the ballot box in 2028.
