Good afternoon,

We have no record of a complaint affidavit of that case coming to our office for review and thus there are no records in our possession to send.

All my best,

Spencer S. Hathaway
Assistant State Attorney / Public Information Officer

Mr. Hathaway - SAO:

I am looking for an alleged filed "complaint affidavit" on a Jessica Monroe. (Public Record Request)

She was arrested, and then "un-arrested" by the VCSO on 2-19-2015. I have the VCSO reports, and video to support this. The term "un-arrested" was used in a VCSO report.

The VCSO advised me that they filed a "complaint affidavit" in lieu of an arrest. Monroe was arrest for DV - but upon arrival to the jail - she stated that she had been raped - VCSO Baker Acted her - and "un-arrested" her. (Please see my below email to Laura Roth (Clerk of the Court) for further detail.

Roth has advise me, via a 2003 judicial order - that Complaint Affidavits are filed directing to the SAO - so PRR for that Complaint Affidavit.

Regards;
