The John Harvey ROI (IA #09-013) is attached as requested. Regarding former deputy Michael Sawicki, he was the subject of an internal investigation in 2012 (IA #12-011) that resulted in sustained violations, adverse discipline and the execution of a last chance agreement. Sawicki subsequently resigned his position during the course of an inquiry that was being conducted at the supervisory level.

Consequently, there was no IA, and therefore, no ROI, associated with any actions on the part of Sawicki directly preceding the supervisory review and subsequent resignation.

Gary:

While attending Deputy Deane personnel board, so issues came up that I wish to explore.

Deputy John Harvey - DUI and leaving a scene of an accident? Do you have a ROI on that incident - if so, I would like to review it.

Deputy Michael Sawicki - there was talk that he is no longer with the VCSO - that he violated Sheriff Johnson's "last chance" agreement - and paperwork on that (ROI)? If so I would like to review that too.

Thanks
