SUPPLEMENTAL INFORMATION

71. Describe any additional education or experiences you have which could assist you in holding judicial office.

I have twenty-four years of legal experience. Clerking for a circuit judge immediately after law school gave me the opportunity to do legal research and advise the Court on how the law applied to the facts of the cases. It also allowed me a behind the scenes experience in watching how the Court reacted to different attorneys and their methods. Working as an assistant state attorney for twenty-three years has allowed me to work in front of a number of judges of varying personalities and practices while also handling a substantial number of criminal cases.

72. Explain the particular contribution you believe your selection would bring to this position and provide any additional information you feel would be helpful to the Commission and Governor in evaluating your application.

I believe my extensive experience has shown me what I consider are the best methods of running a docket and how to treat everyone that comes before the Court with respect while also requiring everyone to treat the Court with respect. I think it is imperative that decorum be maintained and everyone's time be considered. I also have significant experience with a wide variety of criminal charges but when faced with an area I'm not familiar, such as when I took over the juvenile division, I am very comfortable consulting the statutes and rules that apply to familiarize myself.
