Hi Mary,

I was out of the office until yesterday. Congratulations on the new position! I have heard that the Co. Attorney's Office is a great place to work and I am sure that you will do very well there.

I am happy to put in a good word for **Nancye** to Mori. He too is out this week but I will have a chance to chat with him when he comes back in town on Monday.

I look forward to catching up with you and your family now that we are local. I cannot believe that Sean is starting high school! I am suddenly feeling very old.

Take care.

Andy

Hi Andy:

I thought I would send you a quick email because I know how busy you are. Not sure if you heard but I left the **Attorney General's Office** this summer (actually I think Lori applied for my old job!!) and am now in my **fourth month** at the County Attorney's Office here in Deland. I am loving it and feel so lucky to have gotten this opportunity. I heard that you guys are in Port Orange now and Sean's best friend lives in Water's Edge so we are out there all the time. Like yours, our kids are getting BIG and Sean starts high school next year, Matthew, like Abby, will start middle school, and Samantha will start kindergarten. Time sure does fly.

→ Andy, I just wanted to share with you that I now work side by side with **Nancye Jones**, a fellow Asst. County Attorney. As you many know, she has been nominated by the JNC and is one of the six names before the Governor for Judge Kennedy's seat on the circuit bench. **Nancye** has amazed me during my short tenure here as she handles so many different types of cases and she does it so incredibly well. While it would be a blow to me if she were appointed since I would no longer get to work with her and she is such a mentor to me, I do think that she would be such an asset to our circuit court bench.

Because I feel so strongly about her abilities and how much she could offer to our local judiciary, I really wanted to reach out to you with the hope that maybe you could put in a good word for her with your boss.

I know she has sent him her resume/information and has had several County Council members and the County Manager reach out to Mori on her behalf but I just wanted to do my part for her as well.

I would be so grateful for any help or support that you could provide for Nancye as she goes through this process for the second time. She did make the final three last spring when Judge Perkins was appointed and she is equally as strong, if not a stronger, candidate this time.

Thanks, Andy for anything you can do. I really do appreciate it.

Mary
