Certified Realtime Captioner  
Notary Public - State of FL

1 that target is at.

2 Q Did you see her take any shots?

3 A I don't recall. It's kind of a blur, but  
4 I don't know 100 percent.

15:44:08 5 Q Okay. Do you recall shots being  
6 exchanged?

7 A Yes.

8 Q Did you discharge your firearm?

9 A Yes.

15:44:14 10 Q Were you the first person to discharge  
11 your firearm?

12 A I feel like I was.

13 Q Okay. So from where you were at, did you  
14 have a fairly good visual on Nicole as the shots  
15:44:34 15 were being exchanged?

16 A I did, because when she came out she  
17 leveled up, and then she took a knee behind the  
18 trash can. She was peeking from cover. And after  
19 that I fired a couple rounds. I just remember she  
15:44:52 20 fell into the ground, into the shadows or whatnot,  
21 and I couldn't see her.

22 I remember distinctly asking -- Nicki was  
23 next to me. Where is she? Was she trying to get a  
24 better position? And we had some words back and  
15:45:10 25 forth, and I really can't remember what she said.
