He resigned Feb. 24. While I cannot provide records related to any active internal affairs investigation under F.S.S. 112.533 (5) (a), as you know, records of VSO internal affairs investigations are routinely provided in full once an investigation is complete.

Andrew / Laura / Brian

Can (will) either one of you confirm the resignation of VSO Detective REDACTED?

Is there an open OR close internal affairs investigation on Redacted?

Regards,

Editor@volusiaexposed.com
