Subject: Health Ins for January

Hi James,

The Tax Collector has been approved to pay health Insurance premiums for all employees. This includes all levels Employee Only, Employee Plus Children, Employee/Spouse and Employee and Family. We have informed all employees that this will be effective on Jan 1 so the 2nd paycheck in January. This does not include any of the elective insurances they have chosen. All have been informed about the Wellness dollars and they will be place in a HSA if they have not chosen any other electives. We have also instructed those couples that have the insurance that they may want to discuss ins with HR on how they should proceed. We have one couple that just had a baby and another couple that one works for us and the other works for the County. So I have instructed them to contact Nancy Monahan or Trent Shealy. I will follow up with them to make sure they have done so.

Can you let me know if this is gong to be a bi-weekly bill from you all or if it will be a simple payroll process?

Thanks Wanda
